

ARENA PROTOCOLS

PLEASE NOTE:

These protocols are being put in place to maximize the health and safety of everyone at the facility and minimize the risk of the spread of COVID-19.

Anyone showing flu-like symptoms is asked to remain at home; please do not enter the facility.

**Everyone's cooperation and compliance is appreciated.**

These protocols will be reviewed regularly and updated as needed. The most "up-to-date" version can be found at [www.haldimandcounty.ca/recreation-facilities/](http://www.haldimandcounty.ca/recreation-facilities/).

In order to maximize safety for all:

- **Anyone accessing the Arena must enter through the front doors and be screened. No one is allowed to enter through other access doors/emergency exits;**
- **Face masks/coverings must be worn at all times throughout the facility – with the exception of while participants are on the ice. Children under the age of two (2) are exempt from this requirement;**
- Visitors/participants are asked to keep valuables at home or secured elsewhere (e.g. vehicles).

**Failure to follow the directional arrows, signage or instructions of on-site staff could result in immediate expulsion from the facility.**

**Ice Rental Guidelines:**

- **Face masks/coverings must be worn at all times throughout the facility—with the exception of while users are on the ice (helmet on/face mask or covering off; helmet off/face mask or covering on);**
- The rental permit holder will be identified as the contact for the Haldimand Norfolk Health Unit (e.g. for future contact tracing);
- The rental permit holder will be responsible for sharing these protocols with those who will be participating in the ice rental, including members of visiting teams and game officials;
- The rental permit holder (or his/her designate) must be present 15 minutes before the start of the rental to greet/screen on-ice participants, and all other participants who will be present on and around the ice pad, e.g. referees, timekeepers. If the rental permit holder (or designate) is not on-site, participants will not be allowed to enter the facility;
- On-ice participants will be screened by the rental permit holder (or his/her designate) upon entering the facility;
- One (1) parent/guardian (no siblings) per youth skater (seventeen (17) years & under) will be allowed in the facility—**no exceptions**. Only one (1) parent/guardian will be permitted in the designated seating areas
